Despite their size, small breed dogs have similar energy requirements to their larger relatives.

That's why we pack the same exceptional ingredients and nutritional expertise into our smaller sized kibbles that are specifically designed to suit smaller mouths.

This food prepared with an interesting combination of Chicken and Meat.

The formula is a complete and balanced diet for your small dog.

This blend supports digestive health and easy absorption of nutrients and serves your dog a healthy balance of whole grains for great health and high energy.
